The Region

Between culture and entertainment, historical monuments and bucolic walks, our **region is rich in discoveries and leisure.**

The sumptuous **castles of Auvers-sur-Oise, Ecouen and Chantilly**, all jewels of French heritage.

The Abbey of Royaumont, a masterpiece of gothic architecture, is only 15 minutes away.

The **Oise River** and the **L'Isle-Adam Beach**, the largest river beach in France, has been welcoming young and old alike to play, relax and swim since 1920.

An MGallery Collection hotel

MGallery is a collection of international **upscale hotels** that feature a unique personality and history that travelers are invited to experience through architecture, decoration and services.

The hotel is a hidden treasure in **a haven of nature**.

Rooms & Suites

The **65 rooms**, including 8 suites with **private terraces** and views of nature, were designed by architect Jean-Michel Wilmotte.

Comfortable and spacious, they offer a decoration with clean lines and warm colors conducive to relaxation and rest.

Gastronomy

Our Chef offers you a refined menu that evolves throughout the year according to the **season's products**.

The **vegetable garden** of the domain allows us to regularly propose creations with the production of the garden.

Le Piaf

A friendly and relaxed bistronomic bar and restaurant.

During the summer season, enjoy a cocktail on the **terrace** while watching the sunset over the Golf de L'Isle Adam.

Seminars & Events

A professional team is entirely dedicated to the success of your event.

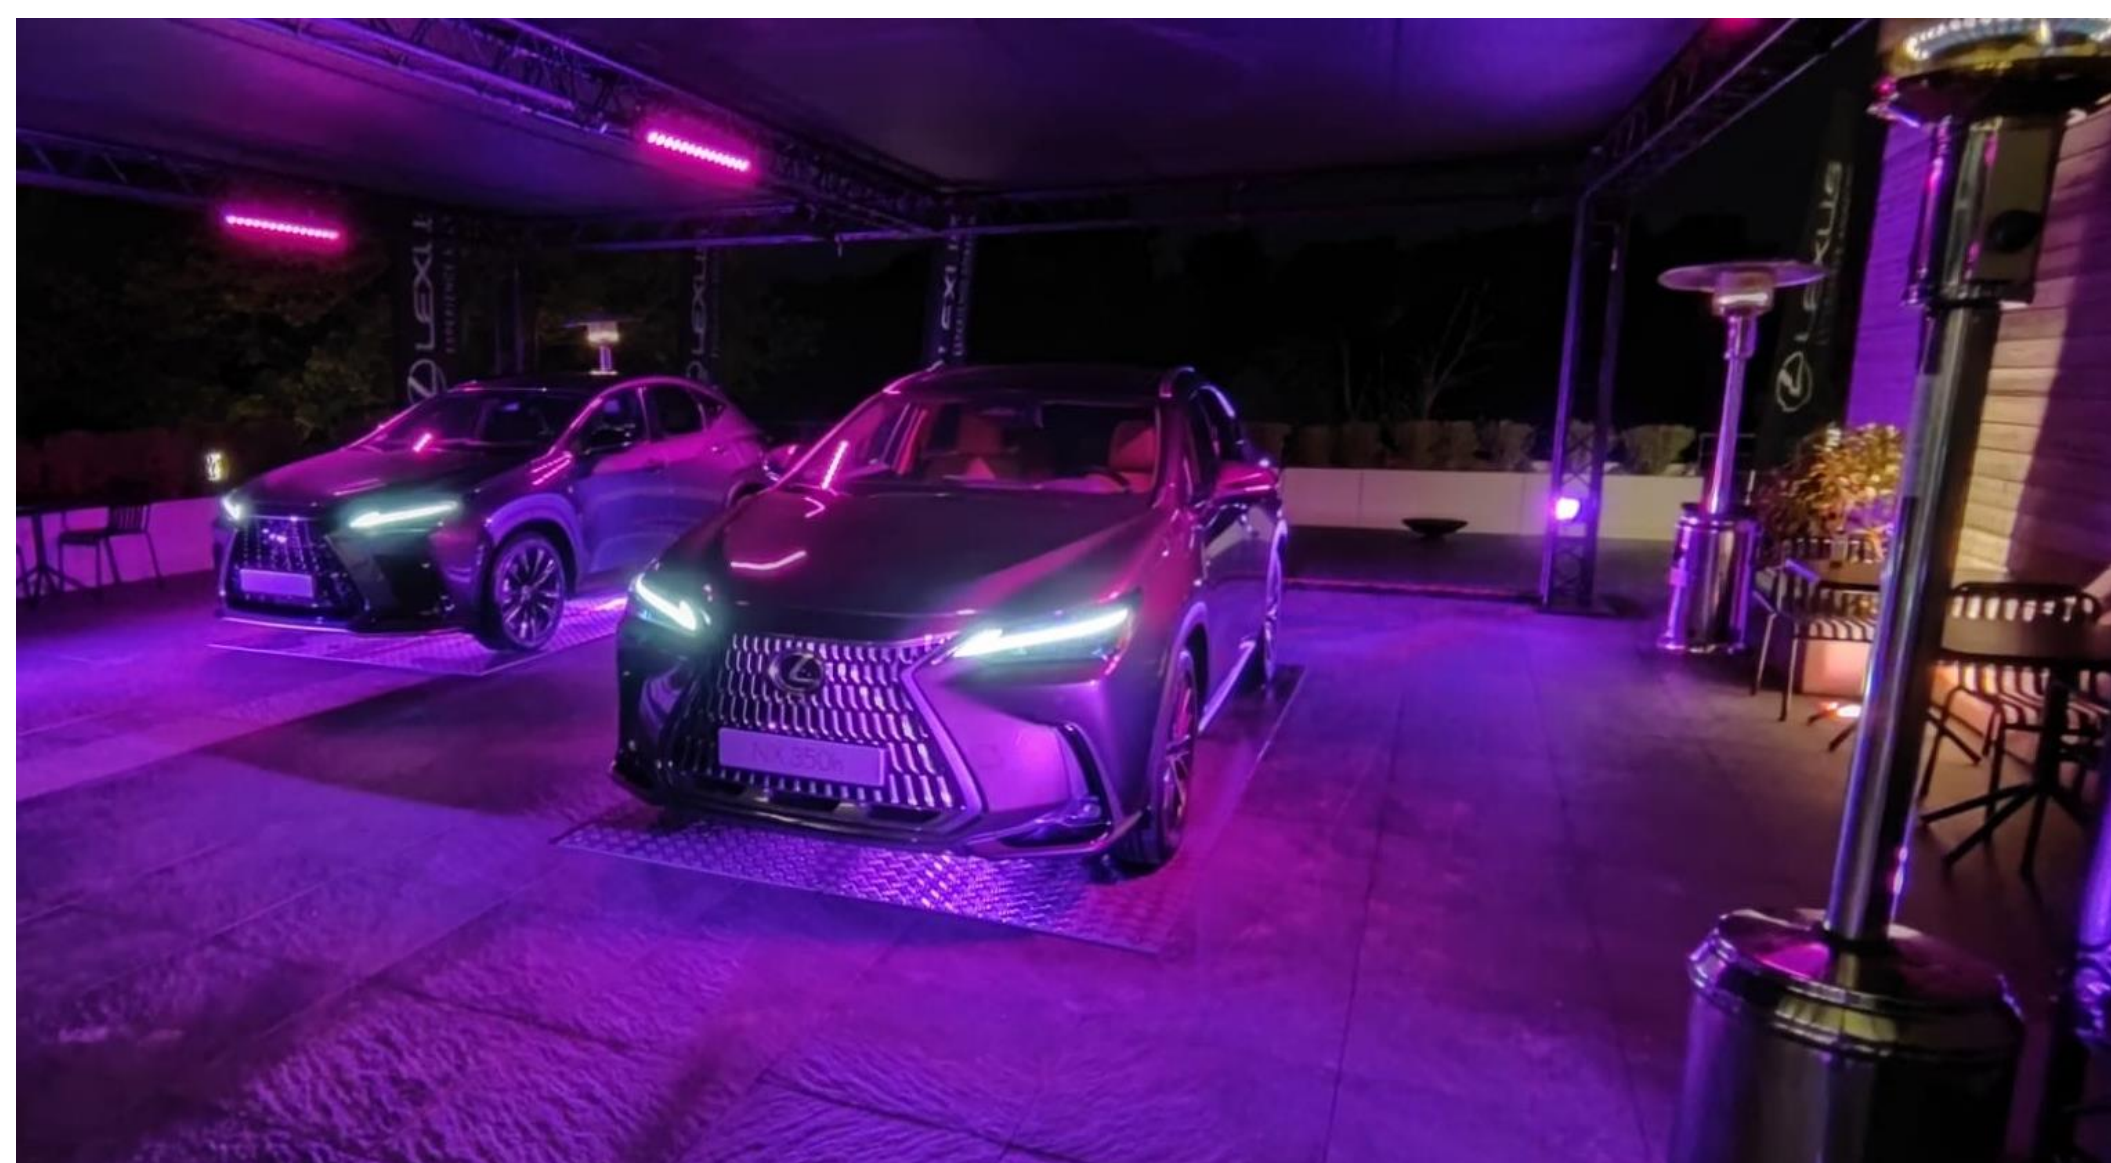

Le Domaine des Vanneaux has 300m² of rooms divided into **7 modular lounges**, for **10 to 70 people**.

The latest generation of **touch screens** are at your disposal for your presentations.

Sports Stay

The Domaine is a privileged place to **relax and unwind** before a game.

Bathed in light, our lounges offer all the comfort and functionality you need to get together.

300m² of rooms divided into 7 modular lounges that can be adapted to any type of moment: **briefing, living space, muscle awakening, catering...**

Buffets adapted to the diet of athletes. Provision of energy snacks and other custom-made requests.

Direct proximity to the Stade de France, Charles de Gaulle airport and training grounds.

Le Domaine des Vanneaux: Host of the 2023 Rugby World Cup Teams

We were delighted and honored to host the national rugby teams of Australia, Ireland and South Africa.

It was an exceptional experience to receive these world-renowned teams and share our hospitality with them.

During their stay, players and team staff were able to enjoy the unique environment of Domaine des Vanneaux, offering a peaceful atmosphere and facilities.

All of the hotel's services have been able to adapt to the demands of this international competition.

Golf

Set among the trees, the place is in unison with its environment.

The Isle Adam golf course, designed by the architect Ronald Fream, offers an **18-hole course** of 6,188 meters.

Built on a **hilly and wooded terrain**, it offers magnificent **panoramic views** of the region.

The **club house and its Bar Restaurant Le 19** welcome you for lunch by the fire or under the sun of its terrace.

SPA & WELLNESS

Forget the hustle and bustle, stress, fatigue and even the passage of time... The Spa unveils a **haven of peace** entirely dedicated to well-being and beauty.

Piscine

Jacuzzi

Soins

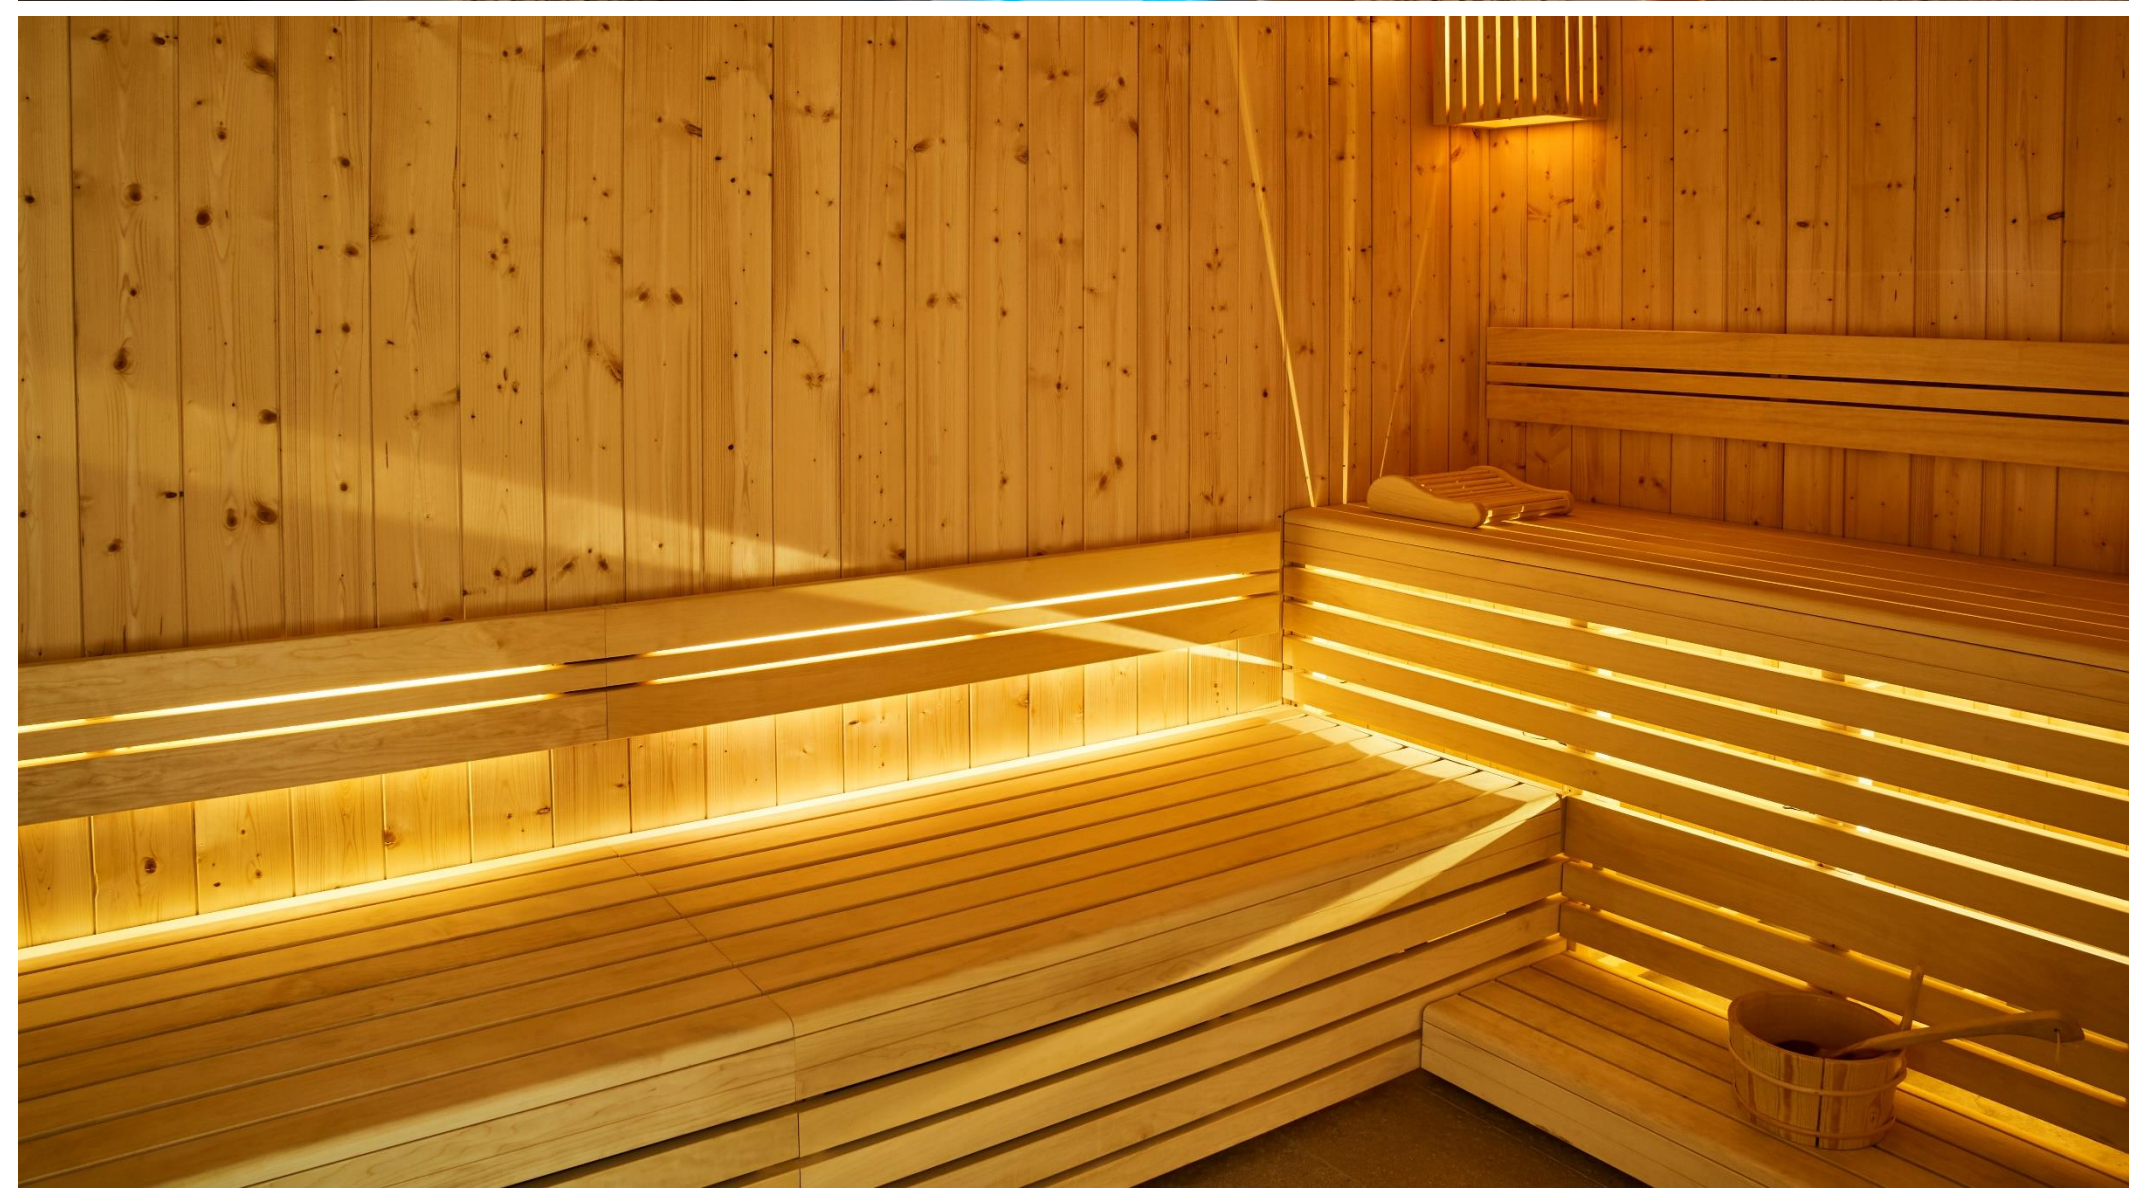

Sauna

Hamмам

The **privatization of the wellness area** offers a relaxing experience in complete privacy. A sublime heated outdoor pool with a view of nature welcomes you for laps under the sun.

The Domaine des Vanneaux is committed

Our commitment to the world around us:

- We control energy consumption and reduce CO2 emissions.
- We favour the use of eco-labelled products.
- We preserve water resources.
- We fight against food waste with the implementation of the Phenix solution.
- We reduce our waste by eliminating single-use products as much as possible.
- We are committed to preserving biodiversity with the installation of beehives and a vegetable garden in partnership with an association for integration into working life.

Our commitments as a responsible employer:

- We promote the employment of local staff.
- We involve all our employees in improving their working life.
- We promote dialogue with employee representatives.
- We are a strong advocate of diversity and equal opportunity.
- We guarantee our employees the right to a safe working environment.
